

Automotive Repair, Vol. 1: Instruction Manual of Repair Jobs for the General Repairman and the Owner (Classic Reprint)

By J C Wright

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Automotive Repair, Vol. 1: Instruction Manual of Repair Jobs for the General Repairman and the Owner The demand for a suitable textbook on automotive repair is universal. Within the past fifteen years not only many private schools but also hundreds of public schools have undertaken to prepare men for employment as repairmen or to take care of their own automobiles. The author was for a number of years connected with both public and private schools which were attempting to give this training in automotive repair. In this book the emphasis is placed upon repair jobs rather than upon theory of design, or detailed types of construction. Automotive principles are relatively few in number, while the methods of application by manufacturers are numerous. The text in Part One covers the principal repair jobs which the general repairman or owner will be called upon to perform. Part Two covers the elementary principles of construction and operation, a knowledge of which is needed by the repairman and the owner so as to thoroughly understand automotive equipment. Acknowledgment is...
