

The Wonga Coup: A Tale of Guns, Germs and the Steely Determination to Create Mayhem in an Oil-rich Corner of Africa

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

THE WONGA COUP: A TALE OF GUNS, GERMS AND THE STEELY DETERMINATION TO CREATE MAYHEM IN AN OIL-RICH CORNER OF AFRICA

Tantor Media, Inc, United States, 2007. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. Equatorial Guinea is a tiny country roughly the size of the state of Maryland. Humid, jungle covered, and rife with unpleasant diseases, natives call it Devil Island. Its president in 2004, Obiang Nguema, had been accused of cannibalism, belief in witchcraft, mass murder, billion-dollar corruption, and general rule by terror. With so little to recommend it, why in March 2004 was Equatorial Guinea the target of a group of salty British, South African and Zimbabwean mercenaries, traveling on an American-registered ex-National Guard plane specially adapted for military purposes, that was originally flown to Africa by American pilots? The real motive lay deep below the ocean floor: oil. In *The Dogs of War*, Frederick Forsyth effectively described an attempt by mercenaries to overthrow the government of Equatorial Guinea - in 1972. And the chain of events surrounding the night of March 7, 2004, is a rare case of life imitating art-or, at least, life imitating a 1970s thriller-in almost uncanny detail. With a cast of characters worthy of a remake of *Wild Geese* and a plot as mazy as it was unlikely, *The Wonga Coup* is a tale of venality, overarching vanity and greed whose example speaks to the problems of the entire African continent. .
