Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, The Science of Getting Rich: Attracting Financial Success Through Creative Thought, Wallace D. Wattles, In his bestselling book, Wallace D. Wattles explains that "universal mind" underlies and permeates all creation. Through the process of visualization we can engage the law of attraction--impressing our thoughts upon "formless substance" and bringing the desired object or circumstances into material form. The author emphasizes the critical importance of attitude: only by aligning ourselves with the positive forces of natural law can we gain unlimited access to the creative mind and its abundant rewards. The Science of Getting Rich holds the secret to how economic and emotional security can be achieved in a practical, imaginative, and noncompetitive way, while maintaining a loving and harmonious relationship with all of life. By living in accordance with the positive principles outlined in this book, we can find our rightful place in the cosmic scheme and create for ourselves an environment in which to grow in wealth, wisdom, and happiness. It is an exact science, like algebra or arithmetic. There are certain laws which govern the process of acquiring riches. Once a person learns and obeys these laws, he will get rich with...
