Their lives had returned to normal, or as normal as could be expected. They knew that as long as Terzini lived, however, they would never be truly safe. Yet they tried to enjoy each day of safety that passed. Working and planning for college distracted them from the never-ending threat that loomed on their horizon. But jobs and future plans are jeopardized when they discover pregnant women have been disappearing across the country. Their discovery means their days of peace have ended. Gabriel suspects the disappearances are related to Terzini. To be sure, he and Melissa, along with Yoshi and Alexandra, travel to California to see for themselves. While there, they discover that the geneticist has, in fact, been busy in his absence, and that the missing women are just the beginning of an elaborate plot to eradicate humankind. Gabriel s journey leads him to the the small town of Santa Ynez, California. There, he learns that the community has been compromised, infiltrated by a legion of Terzini s creations.
