## THE MUSINGS OF A MAD PROPHET

Createspace Independent Pub, 2007. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. In sixty six articles Matthew, a prophet being raised up by God speaks candidly about his life, his breakdown, his mental illness and the lessons he has learned from divorce. In article after article he opens up a different dimension of his life. On the subject of divorce he shares the lessons he learned from losing the love of his life and the closer walk he has with Jesus Christ. These articles on the lessons he learned are particularly useful for people who might be experiencing divorce at the moment. Some people that you might know. On the subject of mental illness, Matthew opens up and shares what it is like to have schizoaffective disorder ( Both Bipolar and schizophrenia). Matthew shares in a number of articles how he wrestled with false spirits, the voices plus in one article he shares the good things he sees about being mentally ill. This book is worth the purchase price if you are a loved one of someone mentally ill and will give you valued insight into a person that suffers mental illness. With no training in a formal Bible college education Matthew approaches Christian subjects just as he would chat with a coffee in a cafe with you. Often using his own sinful life in the examples Matthew shares many stories that serve to illuminate his subject matter and re-enforce the scripture passages that he is sharing in the articles. Matthew feels that the book is a great read and a book that you will find you want to lend out to that special friend that will come to mind as you are reading it. He prays that the books will go from one person to another until...
