

Apprenticeship in Literacy: Transitions Across Reading and Writing

By Linda J. Dorn, Cathy French, Tammy Jones

Stenhouse Publishers. Paperback. Book Condition: new. BRAND NEW, Apprenticeship in Literacy: Transitions Across Reading and Writing, Linda J. Dorn, Cathy French, Tammy Jones, This easy-to-read text will guide K-3 teachers as they develop a reading and writing program for all their students. An apprenticeship approach to literacy emphasizes the role of the teacher in providing demonstrations, engaging children, monitoring their understanding, providing timely support and, ultimately, withdrawing that support as the child gains independence. Drawing on authentic classroom examples--student writing samples, class schedules, photographs, and rich transcriptions of teaching and learning interactions--the authors illustrate instruction that is aimed at children's learning zones. As children become more competent readers and writers, the instructional interactions are adjusted to accommodate their higher-level learning. Here is a wealth of in-depth information, specific strategies, and organizational formats in literacy areas such as: principles of apprenticeship literacy; learning to read from a cognitive apprenticeship approach, including the roles of read-aloud, familiar reading, and shared reading; guided reading, including flexible grouping, reading and writing links, and instructional interactions that emphasize problem-solving strategies; helping children develop writing strategies through interactive writing, writing aloud, and revising and editing transactions; transitions in children's independent writing, including their relationship to modeling...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
