Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Level One PLUS - A REAL PLUS to the Level One Beginning Piano book curriculum. Originally conceived as an extension and reinforcement of Level One for younger students, it soon became apparent that the expansion and addition of several new musical concepts presented in Level One PLUS would prove to be beneficial to older beginning piano students as well. With a variety of presentations of reading/writing/playing Higher A and Higher B and examples encouraging the discipline of rhythmic practice before actually playing pieces, beginner piano students become more mature in understanding of how to practice new pieces. Engaging studies in which students learn to analyze and compare melodic patterns and their repetitions or inversions stimulate interest in how melodies are created. Appealing and advancing piano beginner-level pieces afford more opportunities to coordinate playing with both hands. Students have been practicing these new pieces with zestful enthusiasm. Explanations and examples of different duet formats open the student s understanding regarding different ways that duets appear on the page. Lively and/or expressive teacher duet parts and even one duet flute part bring more excitement and pleasure to duet playing. Additional ledger line reading practice in both pieces and check-ups further develops musical literacy, and the early introduction of several other important concepts at a level accessible to the novice make this a valuable addition to the Piano ABC s curriculum. The diverse studies in Level One PLUS will further enhance beginning piano students success and musical maturity as they advance toward Piano ABC s Level Two.
