

Bugging in or Bugging Out?

By Robert Paine

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When disaster strikes, are you going to hunker down or hit the road? If you are new to prepping or being a Survivalist, deciding whether you should stay put or seek shelter somewhere else can seem like a big task. It's hard to know where you and your family will be safest. However, if you start planning now and you figure out whether you'll bug in or bug out, you'll be much better off than about 99 of the population. A Bug Out Bag is designed to get you out of an emergency situation and allow you to survive self-contained for up to three days. On the other hand, Bugging In requires you to fortify your home and store enough food and supplies to get you through an undetermined amount of time. Both have their pros and cons and it's important to choose the right one for you and your family. In Bugging In or Bugging Out, you will learn: - The main differences between Bugging In and Bugging Out - How to pack...
