Enitharmon Press. Paperback. Book Condition: new. BRAND NEW, Earth's Almanac, Lucy Newlyn, The poems in Earth's Almanac emerged over a fifteen-year period following the untimely death of the poet's sister. Lucy Newlyn adapts the tradition of the 'Shepherd's Calendar' to the phases of grief, condensing a long process of reflection and remembering into the passage of a single year. The poems shift through forms and move between places - Oxford, Borrowdale, and finally Cornwall, where the poet finds a second home near the sea. In these intense expressions of love and loss, anger and guilt, there is no smooth path towards consolation.
