### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## INTRODUCTORY LESSONS IN ENGLISH GRAMMAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Introductory Lessons in English Grammar This little book is designed merely as an introduction to a larger work on the same subject by the same author. Its object is to make the young learner acquainted with the parts of speech and their inflections. Much more reliance is placed on the exercises than on the definitions. It is recommended to the teacher that, in addition to the examples and illustrations, he should take some simple reading-book and give his pupils thorough practice in distinguishing the parts of speech, cases, moods, tenses, etc. The learner must, of course, thoroughly understand every sentence he undertakes to analyze. The First, Second, and Third School Readers, by Noble Butler, are well adapted to this purpose, all the lessons having been prepared with special reference to the capacity of very young children, and the words being easy and generally short. Butler s Practical Grammar of the English Language forms a sequel to the present work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
