Why Intelligence fails is a question that's asked by the people whenever terror strikes in India. The Indian government spends substantial resources on its spy machine each year, yet intelligence failures repeat themselves with dreaded monotony. Like James Bond's Martinis the intelligence agencies get shaken but not stirred. Intelligence is a highly complex and critical aspect of a nations security which warrants expertise of specialists. But who are at the helm of India's spy machine? And why? This book is an extensively researched ensemble covering a multi-dimensional analysis...
