Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Paranormal: My Life in Pursuit of the Afterlife, Raymond Moody, Few people have the opportunity to change the face of modern medicine. However, Raymond Moody achieved precisely this with the publication in 1975 of "Life After Life", which introduced the phrase 'near death experience' (NDE) into popular use. In that bestseller, Dr. Moody researched what happens when we die, including the amazing stories of those who have had out-of-body experiences and witnessed the afterlife for themselves. And he has remained at the forefront of investigations into the paranormal ever since. Now, at long last, he has decided to share his discoveries and the story of his own unusual life in this gripping account. Searingly honest and extremely engaging, in "Paranormal" Dr. Moody recalls his pioneering research into NDEs, reincarnation and ghosts. He also exorcises many of his own demons, revealing the trials and tribulations that have beset him personally - nearly driving him to suicide. The autobiography of a truly extraordinary life, "Paranormal" makes for compulsive reading.
