Reviews

It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.
(Camryn Williamson)

PRACTICAL PROGRAM EVALUATION FOR CRIMINAL JUSTICE

Taylor Francis Inc, United States, 2014. Paperback. Book Condition: New. 231 x 188 mm. Language: English . Brand New Book. Practical Program Evaluation for Criminal Justice shows readers how to apply the principles of fiscal responsibility, accountability, and evidence-based practice to criminal justice reform plans. Unlike other policy-based texts, which tend to focus more on implementation than assessment, this book provides applicable, step-by-step instruction on determining an initiative s necessity prior to its adoption (reducing the risk of wasting resources), as well as how to accurately gauge its effectiveness during initial roll-out stages. The book gradually introduces basic data analysis procedures and statistical techniques, which, once mastered, can be used to prove or disprove a program s worth. Lastly, the book introduces the types of stakeholders who should review evaluation results for quick action, as well as how to best structure reports to ensure their buy-in.
