Many years back when affection between two gentlemen was known to be nonexistent and to remain hidden, Deklan and Logan found a way to bring their affair of the heart to life. One was the son of a wealthy plantation owner, and the other a lonesome servant who worked the property to survive. This adventurous and romantic fairytale took place in the south during a time when horse carriages and kerosene lighted lanterns ornamented villages. An unlikely companionship began to blossom after Deklan and Logan unexpectedly encountered one another in surprising places. Everything was casual until a magical man who mysteriously appeared and then vanished turned their quiet world of serenity into a dash to keep the love they had found in each other alive. Love was discovered, lost and then found again in this spiraling and uplifting fairytale between two charming souls that were meant to be together. With family principles influencing a common existence, will Deklan risk his family ties and wealth for a chance at love with the other half to his soul?.
