THE ACADEMIC GREGORIES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Academic Gregories As far back as I can remember there hung in my fathers study two prints, the one a mezzotint of Professor James Gregory, and the other, inferior as a picture, but most beautiful in its subject, an engraving of William Pulteney Alison. In answer to nursery enquiries as to the stories belonging to these two pictures, there had always perforce to be some dark facts related in connection with Dr James Gregory, but these were kept rather in the background, and the impression we got of him came nearer to the incidental portrait which Robert Louis Stevenson draws of him in Weir of Iermiston. With William Pulteney Alison we could, as it were, shake hands, for the story teller could here insert a piece of real history, of how, long ago, this man had sat beside his crib watching over him, holding him back from the arms of Death. We watched with him as he sat there ministering to this sick child, keeping alive the little flicker of life, keeping the little restless body still. If he moves, he will faint, Professor Alison had said. If he faints, he will die. Across the gap of years other children held their breath till the little patient fell asleep.
