By The Maths Clinic

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Mastering Core Mathematics 2 is a revision guide published by The Maths Clinic to provide a coherent and structured revision programme for A Level students. The focus of the guide is on the Key Points or the fundamentals related to each topic and their application in solving problems. By following the study plan set out in the guide the student is able to achieve the following: Master the underlying principles and formulae associated with each topic; Learn to apply the key points to solve problems; Validate subject knowledge with self-tests; Tackle complex questions with ease; The guide is designed to take students beyond the basics and transform them into star performers at the examination. Besides being a revision tool, the guide complements regular school lessons and is designed to help all students, regardless of their level of proficiency in Mathematics, achieve top grades.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
