From a sincere desire to assist in the improvement of the science teaching in our Michigan High Schools, this booklet is sent out to teachers of the biological sciences. It has a threefold purpose: --First. To get into (he hands of those teachers, who were unable to be present at the last meeting of the Academy, those papers and discussions in which they are especially interested. N Second. To give teachers the best judgment which the Committee can command in regard to texts, laboratory guides, library references and various teaching accessories. Third. To propose ways and means for very cheaply getting together collections of Michigan material which will enrich the teaching, intensify the interest of pupil and teacher, and open the way for the study of many problems in distribution and variation. A circular has already been addressed to school officers in the name of the Academy, and it is hoped that they will stand ready to assist in a decided forward movement all along the line. Until the supply is exhausted, copies of this circular and booklet may be obtained from the Chairman of the Committee, by enclosing two-cent stamp. WILLIAM H. SHERZER, Ypsilanti, VOLNEY M.
