Print on Demand *****.Uzbekistan is an authoritarian state with a constitution that provides for a presidential system with separation of powers among the executive, legislative, and judicial branches. The executive branch under President Islam Karimov dominated political life and exercised nearly complete control over the other branches of government. In 2007 the country elected President Karimov to a third term in office in polling that, according to the limited observer mission from the Organization for Security and Cooperation in Europe (OSCE), deprived voters of a genuine choice. Parliamentary elections took place in 2009. While OSCE observers reported noticeable procedural improvements in comparison with the 2004 parliamentary elections, the 2009 elections were not considered free and fair due to government restrictions on eligible candidates and government control of media and campaign financing. There were four progovernment political parties represented in the bicameral parliament. Authorities maintained effective control over the security forces. Security forces committed human rights abuses. The most significant human rights problems included: torture and abuse of detainees by security forces; denial of due process and fair trial; and widespread restrictions...
