Cambridge University Press 0. Softcover. Book Condition: New. IGCSE English as a Second Language, Third edition matches the requirements of the revised University of Cambridge International Examinations (CIE) syllabus. The series is written by an experienced IGCSE teacher and trainer and is endorsed by CIE, ensuring that it is up to date and comprehensive in its coverage. Coursebook 1 is ideal for students who are planning to take the examination after a two-year course. It prepares students for the more demanding and exam-focused Coursebook 2, which must be completed before a candidate can be considered ready for the examination. Coursebook 1 is presented in a colourful new design, offering clear, practical support for students. It follows a variety of interesting themes and topics, with a focus on skills development: listening, speaking, reading and writing. Each unit provides opportunities for thinking and discussion, as well as research and study skills, and activities for vocabulary building. Furthermore, each unit has a specific language-focus section, to revise and consolidate key areas of language awareness. Features include: ? total coverage of the CIE syllabus ? interesting stimulus material and activities based on topical themes ? audio CDs for use with the listening activities ? plenty of discussion activities to practise speaking skills ? opportunities for research, study skills and project work ? focus on language to develop grammar awareness ? plenty of activities for vocabulary building Contents Introduction Introductory unit.
