Outskirts Press, United States, 2010. Paperback. Book Condition: New. 280 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All humans are distinctly different and there is no perfect diet that works for everyone. Mannie s Diet led to one author losing more than 80 pounds and the other losing 20. They both continue to lose weight without much effort. This book enlightens and empowers people to lose weight and improve their health. We simplify overly technical information into common descriptions. We offer a new approach to losing weight and improving your health that exposes the dangers of dangerous chemical food additives and chemicals that cause addiction. The authors latest book, It s Not Your Fault, explores the causes of weight gain and obesity. Your so-called healthy foods are making you fat and ill. By creating your own diet based upon our theories, the diet you create will change your life, cause you to lose weight and also prevent arthritis and gout caused by inflammation, allergy, intolerance or genetic predisposition. There is no question that pesticides, preservatives and addictive chemical additives in food are the cause of weight gain and many other health problems. This diet points out the dangerous chemicals in packaged foods and offers better choices. By removing these chemicals from your diet and reducing excess uric acid in your blood system, organs and muscles, you can prevent inflammation, weight gain and obesity. This diet provides practical examples of what has been successful for the authors. It is a philosophical change of lifestyle for people that eliminates all offensive foods from their daily diets while identifying the good foods their bodies can digest. Once you eliminate all the foods causing you to be ill, it becomes your diet not Mannie s Diet anymore. It...
