Great Store Design

By Natalie Hantze

teNeues Publishing UK Ltd. Hardback. Book Condition: new. BRAND NEW, Great Store Design, Natalie Hantze, Glamorous, fascinating, and sometimes even magical: the flagship stores of the biggest brands combine interior design and product presentation to create a unique melange of style and image. Stores serve as a window into a very special world whether they are a concept store, pop-up store or a shrine to the brand. The days are long gone when they were merely a sales floor; brands in the fashion, automotive, beauty and lifestyle sectors want to inspire shoppers with their spirit. This is what turns customers into diehard fans. Store design is the great art of staging and communicating a brand's values, and the supreme method of anchoring your brand in a customer's mind over the long term. As our daily activities move increasingly into the virtual sphere, people long for things that are accessible and approachable. Retailers must fight an increasingly difficult battle with online providers to win customers. A sophisticated mix of a wide variety of materials, spaces designed with eclectic ingredients or luxurious accents, and elegant lighting solutions become vehicles that convey the heart and image of a brand and create tactile and...
